

Scavenger Hunt

Junior River Ranger Activity

During your visit to the river, find something for each of the criteria in the list below. Who can tick off the most items from the list?

What you will need

- This Scavenger Hunt list
- A clipboard and a pencil
- Something to collect items in (a bag or a box)
- A camera to capture items you can't collect

To tick off an item from the list, you must either collect things that match the description or take a picture of them.

An animal with 6 legs (an insect)

An animal with 4 legs

An animal with no legs

A spider web

A feather

A bird on or in the water

A bird in a tree

A bird in the air

Something that is smooth

Scavenger Hunt

Junior River Ranger Activity

When collecting things from nature, be careful not to damage the plants or disturb the habitat. When picking flowers or leaves, pluck them carefully and only pick what you need.

A nut

A pine cone

A catkin

A seed

Something that floats

Something that sinks

A reflection

A shadow

A yellow flower

3 differently shaped leaves

A sound
Write what it was here:

Something that smells nice

Something smaller than your fist

Something bigger than your fist

Something manmade

A bend in the river

How many did you find? Why not return to the river another time to see if you can spot the things you missed.
